### 7. Індивідуальні завдання

Індивідуальне завдання виконується студентом в позааудиторний час і перевіряється викладачем за розкладом консультативних та індивідуальних занять викладачів кафедри.

### Орієнтовні завдання для індивідуальної роботи (ІНДЗ)

1. Інсценізація літературних творів;
2. Створення відео презентацій за темами змістових модулів;
3. Ілюстрування ідіом і фразових дієслів.

#### 8. Методи навчання:

Комплексне використання різноманітних методів організації та здійснення навчально-пізнавальної діяльності студентів і методів стимулювання й мотивації їхнього навчання, що сприяють розвитку творчих засад особистості майбутнього фахівця, вчителя іноземної мови, з урахуванням індивідуальних особливостей учасників навчального процесу й спілкування.

З метою формування професійних компетенцій широко впроваджуються словесні (репродуктивний, діалогічне мовлення за ситуацією, усна презентація), наочні (демонстрація, ілюстрація) та практичні (метод проблемного викладення, частково-пошуковий); інтерактивні (sensa, дискусія, рольові ігри, «круглий стіл», виконання творчих робіт, проектів, розв'язання проблеми в комунікативній ситуації), методи навчання, відео-метод, метод навчання за станціями, метод фонетичних асоціацій.

#### 9. Методи контролю:

Педагогічний контроль здійснюється з дотриманням вимог об'єктивності, індивідуального підходу, систематичності і системності, всебічності та професійної спрямованості контролю.

Використовуються такі методи контролю: поточне усне опитування, тестові завдання, перевірка письмових (творів, переказів, перекладів, анотацій) та творчих проектів, словникові диктанти, модульні контрольні роботи, групові та індивідуальні проектні роботи, мультимедійні презентації, залік, екзамен, кваліфікаційний екзамен
